BEER

THE OLD CANNON BREWERY

The Old Cannon Brewery started life in 1845 with Fordhams Of Ashwell, owners of pubs basing their brewing in the center of Bury St Edmunds. They now make brews in 2500 pint batches with a focus on traditional English Ales, using Northern Brewers yeast. The on site brewery creates a range of 14 exciting beers including blondes, rich ambers, IPA styles and some dark stouts.
